

**A Study of Purchaser's Initial Experiences with Classroom Use of the  
LightAide™**

Conducted By:  
Judy Vesel, Principal Investigator  
Tara Robillard, Lead Researcher  
TERC, Inc.  
2067 Massachusetts Avenue  
Cambridge, MA 02140

Funded By:  
Joe Martini, Director  
Perkins Products at Perkins School for the Blind  
175 North Beacon Street  
Watertown, Ma 02472

May 2014

### **Study Description**

The results of the study reported here focus on the LightAide™ developed by Philips  
(<http://www.usa.philips.com/>)

**Table 4. LightAide™ Use and Teacher's Experiences**

<b>Teacher</b>	<b>Activities Completed</b>	<b>Purpose for Students</b>
----------------	-----------------------------	-----------------------------

**What challenges and/or negative experiences were did teachers identify?** — Six of the 11 teachers provided survey and/or interview data about aspects of the device that negatively impacted it use. Their concerns are summarized below:

1)
